

# PROGRAM

## 2<sup>nd</sup> International Symposium on Regenerative Rehabilitation in Kyoto

### Friday March 25, 2016

1:00 PM ~ 1:10 Room: Sugiura Hall	<b>OPENING REMARKS</b> <b>Akira Ito, PT, PhD</b> Department of Orthopaedic Surgery, Kyoto University, Japan
1:10 PM ~ 2:10 Room: Sugiura Hall	<b>KEYNOTE LECTURE</b> Regenerative medicine for spinal cord injury <b>Masaya Nakamura, MD, PhD</b> Department of Orthopaedic Surgery, Keio University, Japan
2:10 PM ~ 2:15	BREAK
2:15 PM ~ 2:45 Room: Sugiura Hall	<b>INVITED LECTURE 1</b> Intermittent hypoxia as a priming modality for CNS stem cells <b>Heather H. Ross, MPT, PhD</b> Department of Physical Therapy, Brenau University, USA
2:45 PM ~ 3:15 Room: Sugiura Hall	<b>INVITED LECTURE 2</b> Intermittent hypoxia as a plasticity-promoting primer of motor recovery after spinal cord injury <b>Randy D. Trumbower, MPT, PhD</b> Department of Rehabilitation Medicine, Emory University, USA
3:15 PM ~ 3:25	BREAK
3:25 PM ~ 3:55 Room: Sugiura Hall	<b>SPECIAL LECTURE 1</b> Cell therapy for muscular dystrophy by engraftable muscle stem cell derived from human iPSCs <b>Hidetoshi Sakurai, MD, PhD</b> Center for iPS Cell Research and Application, Kyoto University

3:55 PM ~ 4:25 Room: Foyer	<b>POSTER SESSION &amp; COFFEE BREAK</b>
4:25 PM ~ 4:55 Room: Sugiura Hall	<b>SPECIAL LECTURE 2</b> Combination therapy with cell transplantation and rehabilitation for chronic spinal cord injury <b>Syoichi Tashiro, MD, PhD</b> Department of Rehabilitation Medicine, Keio University, Japan
4:55 PM ~ 5:15 Room: Sugiura Hall	<b>SPECIAL LECTURE 3</b> Rehabilitation after cell transplantation in Kyoto University Hospital <b>Manabu Nankaku, PT, PhD</b> Kyoto University Hospital, Japan
5:15 PM ~ 5:55 Room: Sugiura Hall	<b>DISCUSSION</b>
6:00 PM ~ 7:00 Room: Foyer	<b>RECEPTION</b>

### Saturday March 26, 2016

10:00 AM ~ 11:30 Room: Sugiura Hall	<b>TOUR FOR REGENERATIVE MEDICINE &amp; REHABILITATION FACILITIES OF KYOTO UNIVERSITY</b> *Need reservation
11:30 AM ~ 12:10 Kyoto University Hospital	<b>SEMINAR ON REHABILITATION OF SPINAL CORD INJURY</b> Instructor <b>Randy D. Trumbower, MPT, PhD</b> Department of Rehabilitation Medicine, Emory University, USA
12:10 PM ~ 12:30	<b>CLOSING REMARKS</b>
